

Bachelor in Business Management

Brussels Campus – Academic Year 2021-2022

Modifications for the Bachelor of Business Management – year 1

- The 5-credit course **OPO English Communication Advanced 1** is undergoing a name change and will henceforth be called **OPO Advanced Business English 1** maintaining its 5-credit course (OPO) format.

If you obtained a credit for the course (OPO) **English Communication Advanced 1**, you will hold on to that credit and will therefore not have to add **Advanced Business English 1** to your ISP.

If you used a tolerance to pass the course (OPO) **English Communication Advanced 1**, this tolerated grade will remain a part of your study progress file, implying you do not have to add the course (OPO) **Advanced Business English 1** to your ISP.

If you did not obtain a credit and did not submit a tolerance for the course (OPO) **English Communication Advanced 1**, you can add the course (OPO) **Advanced Business English 1** to your ISP.

Modifications for the Bachelor of Business Management – year 2

- The 5-credit course (OPO) **English Communication Advanced 2**, including the course units **English Communication Advanced 2.1 (3 credits)** and **English Communication Advanced 2.2 (2 credits)** is undergoing a name change and will henceforth be called **Advanced Business English 2** maintaining its 5-credit course (OPO) format, including the course units **Advanced Business English 2.1 (3 credits)** and **Advanced Business English 2.2 (2 credits)**.

If you obtained a credit for the course (OPO) **English Communication Advanced 2**, you will hold on to that credit and will therefore not have to add **Advanced Business English 2** to your ISP.

If you used a tolerance to pass the course (OPO) **English Communication Advanced 2**, this tolerated grade will remain a part of your study progress file, implying you do not have to add the course (OPO) **Advanced Business English 2** to your ISP.

If you did not obtain a credit and did not submit a tolerance for the course (OPO) **English Communication Advanced 2**, you can add the course (OPO) **Advanced Business English 2** to your ISP.

If you did not obtain a credit or submit a tolerance for the course (OPO) **Advanced Business English 2** but did you pass one of both course units, then you can add the

course (OPO) **Advanced Business English 2** to your ISP and the respective grade will be transferred.

Modifications for the Bachelor of Business Management – year 3

- The 20-credit course (OPO) **Option 5: Short Mobility** will not be organized anymore.

Did you obtain a credit for the course (OPO) **Option 5: Short Mobility** then you will keep this credit and you will not have to add the course (OPO) **Option 5: Short Mobility** to your ISP anymore.

Did you submit a tolerance for the course (OPO) **Option 5: Short Mobility** then this tolerated grade will maintain a part of your study progress file and you will not have to add the course (OPO) **Option 5: Short Mobility** to your ISP anymore.

Did you not obtain a credit or submit a tolerance for the course (OPO) **Option 5: Short Mobility**, then you are supposed to reach out to your learning path coach.

- The 20-credit course (OPO) **Option 6: Intercommunity Mobility** will not be organized anymore.

Did you obtain a credit for the course (OPO) **Option 6: Intercommunity Mobility** then you will keep this credit and you will not have to add the course (OPO) **Option 6: Intercommunity Mobility** to your ISP anymore.

Did you submit a tolerance for the course (OPO) **Option 6: Intercommunity Mobility** then this tolerated grade will maintain a part of your study progress file and you will not have to add the course (OPO) **Option 6: Intercommunity Mobility** to your ISP anymore.

Did you not obtain a credit or submit a tolerance for the course (OPO) **Option 6: Intercommunity Mobility**, then you are supposed to reach out to your learning path coach.
